Dear Nick,

I wanted to express how pleased I was with the work you did for me recently. My wooden windows were in need of repair and other companies had advised me to replace all of them at considerable cost. You, on the other hand, examined the windows and told me that they could be repaired at a much lower cost to me.

The work was performed efficiently and in a timely manner. The repairs and painting were done very professionally.

I am totally satisfied with your company's performance and have already recommended you to some of my friends and neighbors. Please feel free to call upon me as a reference at any time.

Best regards,
